

Dear Alumni of the Magis,

Peace of Christ!

First of all, join us in thanking God for the success of our SS3 students in the UTME/JAMB examination of 2019. They smashed records and made the best JAMB result in the history of the school. The Eagles of 2019 recorded the highest score of **334** in the school. One hundred and one (**101**) students scored over 250 in JAMB, and nine of these scored 300 and above. The range of scores from 200 to 249 had 46 students. No student scored lower than 200.

Inspired by the words of St. Edmund Campion, S.J., our English Jesuit-Catholic saint, “The enterprise is begun, it is of God; it cannot be withstood.” I wish to thank you for supporting our vision to build a strong Jesuit-Catholic college in Lagos. Our capital campaign luncheon, which comes up on Saturday, **June 22, 2019 by 12:00 noon at the school premises** is for infrastructural upgrade to guarantee conducive learning environment and a transformative and all-round education of our children. To this end, kindly pay for your ticket to the school bursary or to St. Francis, Union Bank, 0037575222. One ticket admits a couple, and a ticket is 20 000 Naira. It is an adult only event. It will be appreciated if payment is made on or before June 12, 2019. Invite your friends and corporate bodies to give generously to a renaissance St. Francis. Thank you and God bless you.
